REQUIREMENTS 2026

Dress Code

Welcome to the Prescott College Uniform Shop. We are here to help with any uniform requirements your child may need for a successful time at Prescott College. The College uniform is intended to give the student identification with the College and is an important contribution to the tone of the College. The wearing of the school uniform is a mark of loyalty to everything for which Prescott College stands. Students are required to wear the school uniform on all occasions unless special instructions have been given by the school administration.

Daily Dress Code:

- College Dress uniform is mandatory every day, except Tuesdays.
- Students must wear their Sports uniform on Tuesdays.
- Dress and Sports uniforms should not be combined.

Consequences for Violation:

- Students attending in casual clothes (other than on designated Mufti Days) may face discipline and need to obtain a uniform pass from the library.

Seasonal Uniform Changes:

- Summer uniform is worn in Terms one and four.
- Winter uniform is worn in Terms two and three.

Blazer Requirement:

- The College blazer is compulsory when traveling to and from the College, on Thursdays in the Chapel, and whenever in uniform off-campus (except when wearing the Sports uniform).
- The blazer should be the outer layer of clothing, and school jumpers can be worn underneath for added warmth.

Uniform Maintenance:

- Uniforms must be clean, neat, well-fitted, and in good condition.
- Underclothing should not be visible.
- Shirts are to be tucked in unless participating in a sporting activity.

Specific Clothing Restrictions:

- Track pants and hoodies are not allowed with the formal or Sports uniform.
- Skirts and shorts must be no shorter than the knee.

Sports Uniform Usage:

- Sports uniform is required for all Physical Education classes and sports activities.
- After a PE lesson, all students must change back into their dress uniform unless it is Tuesday.

Prohibitions:

- Students are not allowed to write on uniforms or get them wet in water fights.

These rules collectively aim to maintain a professional and disciplined atmosphere within the college while allowing for variations in attire based on activities and seasons. Students are expected to adhere to these guidelines for a cohesive and respectful learning environment.
